Hoegaarden II, King, and Chiara, Queen, Outlands

Greetings unto the Glorious Kingdom of the Outlands;

Great joy has filled Our hearts! The Outlands is with Heirs and the Stag banners fly strong. Please do your best to support the Crown Prince and Princess as they prepare to sit upon the Outlands' thrones. Legends fought bravely upon the field and one warrior and consort did shine above all others. The 40th Crown of the Outlands will soon lead our kingdom into great battles and a wonderful season of feasting. Let this be a season when we remember our history as we share a warm fire and a tale. We are proud of our kingdom's lineage of Kings and Queens and our great history.

We had a wonderful time throughout the month of September. Talons of Fury was a grand event with plenty of fighting, fencing and archery. Crown Tourney was a phenomenal time with so many people working together to make this kingdom shine. The Shire of Duthaic Beinne Aird and those that assisted them in their efforts are greatly appreciated. The land of the scorpion is strong, as demonstrated by the al-Barran Champions event. A great time was had by all, and We thank all of you who worked so hard to host the many events that We have traveled to.

In October, We travel to the Barony of Dragonsspine to invest THL Lothar and Lady Lydia as the new Baron and Baroness. We will allow Their Excellencies Eric and Birgitta, the opportunity at Straight and Narrow on October 1st. We thank them for the incredible service they have provided our kingdom and barony during their tenure. Stag's Con will be held in the Barony of Caerthe at the Scola Metallorum campus. Be sure to check the change in venue, as the site has changed. Master Aaron Swiftrunner, the Society Seneschal, will be attending this event to hear your words regarding the Curia Regis that We held to discuss the actions of Ibrahim and Ileana. We will also determine to new Captain of the Stag's Blood at Stag's Con in a multi-weapons duel as a part of the Fighters' Collegium held at the event. On the 15th of October, We and Our Heirs will attend Treaty Negotiations in the Kingdom of Atenveldt to determine suitable Estrella War terms. On the 29th, We look forward to seeing many of our artisans' works at Queen's Prize, to be held in the Barony of Fontaine dans Sable. We will also admit Baron Duncan and Baroness Mary to Order of the Pelican at this event.

We hope to see many of you in Our travels throughout the month. We wish you safe journeys and many smiles along your paths.

In service to the Outlands,

Hoegaarden II — King

Chiara — Queen

Ombudsman for Kingdom of Meridies

Hello everyone:

Due to the recent disaster along the Gulf Coast of the United States, the US Postal Service has directed that mail not be delivered within certain ranges of zip codes in the affected areas. The SCA Board of Directors has been asked to consider actions to prevent members in the affected areas from having their memberships counting down during a time in which no publications will be delivered. Therefore they have directed that those memberships will be placed on hiatus without loss of time remaining until the mailing ban is lifted.

As members in the affected areas re-establish a valid mailing address, the hiatus will end and membership extended for the appropriate time remaining.

Members should notify the Corporate office of their new, valid mailing address in writing, fax, or online once it is available.

Please feel free to contact the Corporate Office if you have any questions or concerns regarding this matter.

Gabrielle Underwood
Director, SCA Inc.
Ombudsman for Meridies

Kingdom Seneschal of the Outlands

Greetings, Outlanders!

As of the writing of this letter, Crown Tournament has not yet been fought…by the time of the reading of this letter, though, we'll have a Crown Prince and Princess that will need your care and attention to succeed in Their coming duties.

I would like to thank Master Erik and Lady Birgitta for the years of dedication and service they have given to the Barony of Dragonsspine and to the Kingdom. They have always shown themselves to be examples of courtesy and grace. I know that the citizens of Dragonsspine and the Outlands will show the same level of support to Lothar and Lydia that has always been shown Erik and Birgitta.

Stagscon is finally here! Please see the event announcement in this month's OH for more information on what is regarded as the premier service event in the Outlands! If you have any questions, comments, concerns or, even better, fantastic ideas, please direct them to THL Robert Marchet, autocrat of this year's Stagscon. We have a divine lunch planned, tournaments (rapier and heavy), great classes and an excellent opportunity to meet Society Officers. I am looking forward to seeing you all there!

Estrella War Treaty Negotiations are on the 15th of October in the Kingdom of Atenveldt. Please keep an eye out for the completed Treaty so that we can all better prepare for WAR!

Mistress Leah de Montgomerie of Lark Hall

Pelican of the War Council

Greetings to all Outlanders,

Hark! What is that far distant sound barely echoing over the mountains? Why it is the drums of WAR! Now that the summer camping season is drawing to a close, it is time to begin turning eyes and efforts towards Estrella War. First and foremost, much appreciation goes towards Mistresses Claudia and Brianna who coordinated for the kingdom at Gulf, Lilies, and Pennsic respectively. These ladies worked hard to help the Crown and populace have a memorable event. Huzzah to them!

The War Council has many new members and I wanted to introduce them to you. This month, I will introduce you to those responsible for the fighting aspects of war. Those helping coordinate events dealing with heavy weapons are: Count Bela, Sir Hrorick, Sir Qara Gan Cherbe, Sir Haroun and Sir Mavriki. Don Charles is coordinating for the fencers and Lords Mordrake and Oengus for the archers. If you have any suggestions regarding ways to make this upcoming war new and improved, these gentles might be able to assist you. We cannot guarantee that all suggestions can be enacted on, but they will be given due consideration. War Treaty is in October and scenarios will be in place after that time. War practices have already begun so sharpen your skills and ready your weapons. Please check your newsletter and online calendar for updates. This upcoming war promises to be full of diverse events. Start planning now to attend. Early registration deadline is in October 31, 2005 for the reduced price.

In Service to Crown and Kingdom

Mistress Joella of Blue Lion's Keep

Kingdom Minister of the Arts & Sciences

Greetings!

I look forward to seeing many of you at Queen's Prize. Remember that pre-registration is **required**. Sponsors are responsible for registering themselves and the artisans they represent. The required information is: Sponsor Name, sponsor contact (email and phone preferred), artisan name, artisan contact, entry piece, categories on which the sponsor will comment. Online registration is preferred at http://www.outlands.org/artandscience/kasreg.aspx or directly by phone. Pre registration will close on **October 15**. If you hope to attend but are not sure, please pre-register, even if you must cancel before the event.

In their meeting on July 16, 2005 the SCA Board of Directors approved a new policy which placed the study of Historical Combat forms under the purview of the Arts and Sciences Ministry. The Crown has approved this policy for use in the Outlands and has approved additional Kingdom guidelines governing these activities. For all those interested in Historical Combat Study, the BOD policy was published in the September OH, and both the BOD policy and Kingdom guidelines can be found linked on the A&S page of the Outlands website. We have also created a yahoo group for those interested, also linked from the website.

In Service,
THLady Chiara Grassi

Kingdom Chamberlain

Greetings fellow Outlanders!

I have accepted the kingdom office of Chamberlain. I look forward to serving the Outlands with projects for new regalia and looking after that which we already have.

It is, however, that lots of items have graced our Majesties and Kingdom. Some have been retired and other things just are not being used to their potential. In order to lessen the load transported from reign to reign, there will be a silent auction of several items this forthcoming Coronation day. Some items will be reserved just for former Royalty to bid on. Other items, however, will be available to the general populace. Funds raised at this auction will go towards replenishing items worn or in replacing some in disrepair.

I look forward to making our Kingdom glorious with the regalia due us.

Duchess Kathryn of Iveragh

Minister of the Lists

To the fighters of the Outlands, Greetings!

With Crown tournament recently behind us, I find myself with many to thank:

- ~~Master Gwilim and the populace of Duthaich Beine Aird for taking good care of us;
- ~~Duchess Kathryn, for compiling all the list information and helping keep everything (namely me) straight;
- ~~The card runners and heralds for keeping everything moving;
- ~~The waterbearers for their continual attention;
- ~~And to the entrants and their consorts for their beauty and brawn.

This month brings Stag's Con. I would ask all MoLs, and their deputies, to plan to attend. I have a challenge for us all to undertake, and will desperately need all your experience and creativity to complete it.

As Ever Yours,
Lady Mariah Abramsdottir

White Stag Principle Herald

Greetings, fellow Outlanders!

STAFF CHANGES: The following deputy positions have changed hands:
Rampart: now Furukusu Masahide
Wimble: now Alia Marie de Blois. Thanks to Duchess Kathryn of Iveragh for her long service.
OCoH Webminister: now Kymma Godric. Thanks to Alia Marie de Blois for her hard work.

HERALDIC MYTHBUSTING: I am fresh out of myths today, so I am introducing a new section. I'll bring this one back when I have a new myth to bust.

SPOTLIGHT: The White Stag office has a staff of several heralds who each handle various aspects of the kingdom's heraldic work. I hope in this section to give an overview of the tasks these fine gentles are performing, and I expect to spotlight two or three of my hardworking staff each month. I am very proud of the work they do, and I recommend them to you.

Weel Herald is the education and publications deputy, charged with keeping the handbooks and articles up-to-date and with promoting teaching and learning both within the College of Heralds and among the populace. New heralds should seek this member of the staff for help finding the resources they need. Master Juan Balthazar Tegero currently teaches under this title, and he may be reached at weel@outlandsheralds.org.

Plover Herald is the field deputy, who specifically handles organizing voices for Crown Tournament and other kingdom tournaments and promotes field heraldry. If you need to hire a field herald, this deputy will know who in your area knows the ropes. Looking to try your hand at field heraldry? Plover can help you make contact with an experienced field herald. This deputy can also help with questions about announcement heraldry. Lord Æthelwulf the Goliard wears this title with enthusiasm, and he may be reached at plover@outlandsheralds.org

No LoAR has been received since my last writing, but it is expected any day. The results will be posted to various lists when received and listed here in the next available issue.

I remain yours in glad service and duty,
THL Sorcha MacLeod

Greetings One and All,

This is your invitation to come to the newly re-named Shire of Blackwater Keep (f/k/a Scorpions Hollow). Come out and participate in our War Scenarios in a REAL WOODEN CASTLE! We will have multiple battles including (but not limited to) a Bridge Battle, Castle Siege and a Defile battle (see it to believe it). Combat Archers definitely welcome. We have a tower and catwalk (bring your 9-footers to shoot from the catwalk) and are in work on a second tower hopefully to be completed in time for the event.

In addition there will be the HEAVY and RAPIER Overlord Tourneys with our usual fabulous prizes as well as all the fighting you can handle. There will also be multiple Archery Shoots throughout the weekend plus an A&S Competition. If we have enough willing participants we will have the Bardic Competition around the Campfire on Saturday night. So you see we have something for everyone.

Castille Llano Estacado is a scale representation of a 7th to 10th Century Motte & Bailey Castle. In addition to the Tower & Catwalk we have a full circle enclosure to fight, feast & revel in. There is also extensive camping space and it is a private site.

There is a La Quinta Hotel 5 minutes from the site as well as a Wal-Mart and every other convenience within 5 minutes of the site.

Please make feast reservations in advance (prepayment not required) as the attendance of this event has fluctuated wildly in the last few years and we want to make certain everyone is fed.

Bonjour! Nous sommes en Paris, en 1405 Anno Domini*.....The Ruling House of France, the House of Valois, is still smarting from the effects of their sound defeat by the English at Crecy in 1346, and at Poitiers in 1356, where the king was captured but not ransomed for some time. The current King and Queen of France, Charles VI and Isabeau, reign from palaces in Rouen and Paris, well attended by their children most notably the Dauphin, Louis, duc de Guyenne. The Great Schism has been in effect for 25 years, leaving Popes at both Rome and Avignon. Innocent VII has just been elected to the nearest Papal seat in Avignon; and he is attempting to heal the Schism to little effect. The Crusades are still an idea to be toyed with every few years, but no concerted effort to retake the Holy Land has been mounted in some time. The world is turning colder in the wake of the Black Death 50 years ago, leaving France's population nearly decimated; but this devastation has left the both the middle classes and the aristocracy with genuine opportunities for advancement. Bienvenue à Paris!**

Their Excellencies Massimilliano and Yazida, Baron and Baroness Caer Galen, would like to invite you to a spectacular day of Winter frolic, in the theme of the great city of Paris in the year 1405 A.D.

al-Barran Mid-winter and WAR (!!!) Practice

Sponsoring Group: Barony of al-Barran

Date: December 17 and 18, 2005

Location: Leon Harms Youth Hall, New Mexico State Fairgrounds
Autocrat: Lord Michael McQuillan
Site Opens: 10:00 am / Site Closes: 8:00 pm
Site Fees: TBA
Important: All alcohol consumed at the feast MUST be purchased on site from vendor.
War practice site is ridiculously, insanely, undeniably, and extremely DRY
Additional information will be available in the coming months.

As the chilled winds sweep across the steppes of Eastern Europe, it's time to get together, shake the cold from our bones, and enjoy the warmth and feasting of al-Barran Midwinter. The theme this year is Hungarian, and it's not time-specific. If you're a Hun looking for a place to hang up his bow for an afternoon, or a 16th century Hungarian aristocrat looking to enjoy another social function, come on in. There's something for everyone.

Come enjoy an incredible Hungarian feast, allow yourself to be mesmerized by our wonderful dancers, and spend the day reliving great memories with old friends. So dress to impress, and come, one come all to the social event of the year. It just wouldn't be a party without you.

The menu will be posted in the next article...so watch for it. You will be impressed.

And don't forget about our traditional WAR (go ahead...yell it...no one's listening) practice. As usual, our practice will be held at Bataan Park. Break out the schlagers and rataan, it's time to get those skills sharp so that we Outlanders can once again be the terrors of the field at WAR (yell it again if you must)!!!

The great barony of al-Barran will be pleased to host all of you. Come enjoy our warmth and hospitality.

Directions to Site: From I-25 in Albuquerque turn east onto I-40 and after a couple of exits, you will exit signs for Louisiana southbound and northbound. They are different exit ramps, so be sure to take Louisiana south. After a few traffic lights you will see a major street called Lomas. Take a right and take a left on San Pedro, the next major street. When on San Pedro, the New Mexico State Fairgrounds will be seen on your left. Turn left into the complex taking Gate 3. Turn left at the first stop sign. You will see the administration building on your right and the Villa Hispania on your left. Keep going until the road ends. The Leon Harms Youth Hall is right in front of you. Enter through east side of the building.

The Board of Directors needs your help! We ask that you write or email the Board giving us your comments regarding any of the nominees on this list with whom you are familiar. While all commentary is more than welcome, we find it especially helpful to read your assessments of the nominee's abilities in areas such as working with diverse groups of people, understanding of varied aspects of the SCA, ability to plan and carry through projects to completion, ability to meet deadlines and keep up with correspondence, and past experiences in either SCA or modern world capacities that would be useful on a nonprofit corporation's Board of Directors. We also strongly encourage you to send us the name and contact information of anyone you feel would make a good candidate for the Board of Directors. All commentary is kept confidential, and new Directors never see the commentary made about them. Please address comments to the Ombudsman for Board Recruiting: Lis Schraer, 3651 Hartford St., St. Louis, MO 63116, or send them via email to *recruiting@sca.org*.
